

About us

We are two young freelance translators who share a common passion for languages.

Where to find us

We work remotely from two different countries, in two different cities: **Livorno** and **Luxembourg**.

What we do

We translate texts from **English** and **French** into **Italian**.

We provide **proofreading** and **post-editing** services.

We write **brochures**, **web articles** and create **multilingual content**.

Fields of expertise

Legal translation

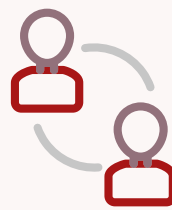

Medical translation

Marketing translation

Our motto

The words in your hands & vice versa.

We deal with **words** to give
words back to you.
